

CHAN RETH

WEB DEVELOPER INTERN

ABOUT ME

Motivated and detail-oriented aspiring Web Developer Intern with a passion for creating intuitive and user-friendly websites. Recently completed coursework in [specific technologies like HTML, CSS, JavaScript, and React.js], with hands-on experience developing responsive web applications. Skilled in debugging, problem-solving, and collaborating in team environments. Eager to apply my technical skills and creativity to a dynamic internship role where I can contribute to impactful projects while learning from industry professionals.
